 EVERYONE COUNTS IN BALTIMORE
CENSUS 2020

Every Baltimore resident must be counted to ensure we get our fair share of federal funds for essential programs that cover health care, education, housing, economic development and transportation, and to strengthen our political representation at the state and federal levels. It will take a team comprised of city officials, community agencies, and YOU, the passionate residents of our beloved Baltimore to make sure #BmoreCounts in 2020.
