- Use and Occupancy Permit
- Verification by PIN Record

Search All Records

2. If the record number is not known, use any of the other fields to create a search.

Record Number: The application number or permit number.

Record Type: Use the drop-down menu which provides a list of permit and inspection application types.

Project Name: The name provided by the applicant. It is not tied to anything and is not a good search criteria on its own.

License Type: Use the drop-down menu. The list shown is not the complete list. Scroll down to see complete list.

State License Number: The license number issued by the State of Maryland for Professional Trade contractors. Not all trades require a Maryland State License.

Business Name: The name provided by the applicant for the business.

Business License Number: The number assigned to a business for them to operate in Maryland.

Permits and Inspections Search Part 2

The screenshot shows a search form with the following fields and callouts:

- Street No.:** A range input with 'From' and 'To' boxes.
- Street Name:** A text input field.
- Street Type:** A dropdown menu with a callout showing options: ALY, AVE, BLVD, CIR, CRES, CT, DR, DWY, GLN, GRTH, HWY, LN, LNDG, MALL, MEWS, PASS, PATH, PIKE, PKWY.
- Unit Type:** A dropdown menu with a callout showing options: Apt, Bldg, Suite, Unit.
- Unit No.:** A text input field.
- City:** A text input field.
- Country:** A dropdown menu.
- Search Additional Criteria:** A button with a right-pointing chevron.
- Search:** A yellow button.
- Clear:** A yellow button.
- Direction:** A dropdown menu with a callout showing options: E, N, NE, NW, S, SE, SW, W.
- Parcel No.:** A text input field.
- State:** A text input field.
- Zip:** A text input field.

Street No: The street number portion of a street address. A range is acceptable. If you are unsure of the exact number, you can search from and to.

Direction: Use the drop-down menu. It is the street direction portion of the street name like the E for East Fayette..

Street Name: The street name portion of the street address. Name only. Do not include St., Dr. Rd., etc.

Street Type: Normally considered part the street name. Use the drop-down menu. Street Type includes Dr., Rd., Hwy., St., Pike, etc.

Unit Type: The type of building or dwelling. Use the drop-down menu to select the best match.

Unit No: Number of the unit such as an apartment number or a store number in a business complex.

Parcel No: The number assigned to a property. It includes the block and lot.

Once you have entered the search criteria, click "Search".

Search Additional Criteria: Use the > to open the additional criteria. The information provided comes from the permit application. It is not as useful during a general search.

Licensed Contractors Search

The screenshot shows the E-Permits website interface. At the top right, there are links for "Create An Account" and "Sign In". Below these is a search bar with the placeholder text "Search...". The main navigation menu includes "Home", "Permits and Inspections", and "Licensed Contractors". A dropdown menu is open under "Permits and Inspections", showing options like "Advanced Search", "Lookup Property Information", and "Search Records/Applications". A second dropdown menu is open under "Search Records/Applications", showing "Permits and Inspections" and "Licensed Contractors". The "Licensed Contractors" option is highlighted. On the right side of the page, there is a sign-in form with a "PASSWORD:" field, a "Forgot Password?" link, a "SIGN IN" button, a "Remember me on this device" checkbox, and a "CREATE AN ACCOUNT" link.

1. Click "Advanced Search".

2. Click the arrow next to "Search Records/ Applications".

3. Select "Licensed Contractors".
