Important to Know

- This is a pre-application only. We will use the information on this form to get a general idea of which home repair programs you may be eligible for.
- If we think you may be eligible for a program, we will contact you and request that you submit a full application/supporting documents for that program. We will forward the application and documents you submit to the program. Program staff will review your application and will determine if you are eligible.
- Some programs provide assistance as a grant, while others offer forgivable or deferred loans. These loans do not require a monthly payment, but do involve a lien placed on the property. A forgivable loan is forgiven after five years if you live in the property as your primary residence during that time. A deferred loan is due back to the City when you sell your property. It is paid from the profit of the sale.
Are you open to considering a forgivable or deferred loan if grants are not available? Yes No
- Some of our programs have waiting lists. We will notify you if you are placed on a waiting list.
