Welcome to the New Property Registration Portal!

LANDING PAGE:

Click here to begin

Have a question? Click here. Please include the property registration number and/or property address.
INFORMATION PAGE: This page includes additional information regarding property registration and licensing and also includes links for: MFD unit requirements for inspections, a list of approved 3rd party State Licensed Inspectors and some Frequently Asked Questions. Click SELECT at the bottom of the page to proceed with your application.
Instructions for Completing a New Online Property Registration in OpenGov

STARTING THE APPLICATION PROCESS

1. Select “SIGN UP” at the top of the right side of the screen to create a new first-time account.
2. Select “Sign up using Secure Portal” under Create an OpenGov ID.
3. Select Sign Up” on the Citizen Services page.
4. Enter an email address and create a new password. The password you use must have a minimum of (8) characters, and must include at least (1) capital letter, (1) lowercase letter and (1) number.
COMPLETE THE APPLICANT CONTACT INFORMATION. You must first set up an online profile of the Applicant (the person creating the record). You will only need to set up the applicant profile once if you are registering multiple properties. Complete this page and select next: complete.

**VERIFY THE OWNER INFORMATION:** NOTE - If no ownership information populates, go to the previous page (select BACK) and see if there is another selection for the same address. Owner information **MUST** populate on this page.

Ignore “UNIT” below unless the property is a condominium unit. (Note: The condominium database is in the process of being updated. You may have to wait to register condo units.)

VERIFYING OWNER INFORMATION

If the property is owned by an LLC or company, the company name must be listed as the owner.

The correct Owner information MUST populate on this page. If the owner NAME that populates is incorrect, please correct it and submit a copy of your HUD1/or settlement sheet at the end of the application. You may also update the mailing address, phone number and email address in the correct fields.

NOTE: Anytime during the application process, you may SAVE your entries as a draft and return to complete the application later. PLEASE DO NOT SUBMIT A DUPLICATE APPLICATION!!!
**STEP 3. PROPERTY INFORMATION.** Please review and answer all questions carefully!!! Incorrect responses may result in a delay of your application being processed and delay your rental license being issued.

If you **have** an existing hard copy of a rental license that has not expired, you do not need to upload copies of your inspection reports. You will only need to pay your registration fees for the current year.

If you **do not** have a current, existing rental license, you will need to obtain and submit inspection reports for each unit and complete the lead certification section in order to obtain a rental license.

If the property is **not** a rental, no inspection is required.

Select “**YES**” only if you are applying for a NEW rental first time rental license or if you are renewing a current, unexpired license.

Select “**NO**” if the property is not a rental property OR if you are not renewing your rental license at this time.

< Back
```

STEP 5. **UNIT COUNTS.** Enter the correct unit counts for the property.

```
Step 5 of 10 -

Property Information

Dwelling Units: A Single Family home is considered "1" dwelling unit. The number of kitchens in a property is an indicator of the number of dwelling units.

Rooming Units: The number of rooms being rented. Hotels and Motels should use Rooming Units.

Efficiency Units: A smaller dwelling unit (must be zoned as an efficiency unit) where the living space is confined to one area.

Dwelling Units: 1
Efficiency Units: 0
Rooming Units: 0

Is this an owner occupied property? *
No

Is this a religious, charitable, or government owned property? *
No

Total Unit Count (calculated)

**STEP 7. LEAD CERTIFICATION INFORMATION.** All rental properties are required to submit MDE (Maryland Department of the Environment) issued lead certification information in order to receive a rental license. You **DO NOT** need to submit a copy of the lead certificate unless it is requested by a property registration staff member. You will only need the **tracking number** and **certificate number** from the lead certificate.

![Lead Certification Image]

**STEP 8. ACKNOWLEDGEMENT.** Sign a digital copy of the acknowledgement.

![Acknowledgement Image]
STEP 9. ADDING ADDITIONAL PERSONS. You may add up to (10) additional persons on the who will be able to access the registration record. They cannot be added until after the application is submitted.

STEP 10. ATTACHING DOCUMENTS. You are only required to attach a copy (or copies) of your passing inspection reports here if you are renewing your rental license or obtaining a first-time rental license. Attach a copy of the HUD1/settlement document here only if the ownership information did not populate correctly or if it is a newly acquired property.
REVIEW YOUR APPLICATION. Carefully review your responses prior to submitting your application. Once submitted, you cannot make any changes. Updates must be made by the Property Registration staff.

Need more time to complete your application? Select **Save as a draft** until you are ready to submit.
