For additional permit information visit our website at <https://dhcd.baltimorecity.gov/pi/permits>.

PROPERTY REGISTRATION: 410-396-3575

Every owner of a non-owner-occupied dwelling unit in Baltimore City must file a Property Registration Statement with the Housing Commissioner whether or not the property is occupied, fit for human habitation, revenue producing, a vacant structure (residential and non-residential), rooming house and some vacant lots.

For more information please go to: <https://dhcd.baltimorecity.gov/pi/alarmproperty-registration>. Property Registration Statement Part A, B, and C (Compliance with Lead Poisoning Prevention Laws) must be completed.

For more information about Lead Inspections and Compliance please go to:

<http://www.mde.state.md.us/programs/Land/LeadPoisoningPrevention/Pages/Programs/LandPrograms/LeadCoordination/index.aspx>

Permit Information

- ✓ The building permit or copy shall be kept on the site of work until the completion of the project
- ✓ When issued a permit that required plans you must keep an approved set of the plans at the job site during construction
- ✓ The issuance of a permit does not prevent the Building Official from later requiring the correction of errors in any plans, drawing, work or operations
- ✓ Construction or work for which a permit is required shall be subject to inspection by the Building Official and such construction of work shall remain accessible and exposed for inspection purposes until approved
- ✓ Footing or foundation inspections shall be made after excavation for footings are complete and any required reinforcing steel is in place
- ✓ Inspection shall be made on concrete slab and under-floor before any concrete is placed or floor sheathing installed, including sub-floor
- ✓ Framing inspections shall be made after the roof deck or sheathing, all framing, fire blocking and bracing are in place and pipes, chimneys and vents to be concealed are complete and the rough electrical, plumbing, heating wires, pipes and ducts are approved
- ✓ The final inspection shall be made after all work required by the building permit is completed
