Program Overview

Through this Notice of Funding Availability (the “NOFA”), the Baltimore City Department of Housing and Community Development (“DHCD”) is making up to \$6,500,000 million available from the Affordable Housing Trust Fund (“Trust Fund”) to support new construction of affordable rental housing and/or rehabilitation of existing rental projects for affordable housing. This NOFA includes two set asides (1) of up to \$1,000,000 for Community Land Trust, who are defined as: Registered Community Land Trusts entities that provide affordable housing to low-income and moderate-income families through an affordable housing land trust agreement. (2) up to \$1,000,000 for emerging developers, who are defined as: Developers who have completed at least three (3) and no more than five (5) projects.

The Department is seeking projects that are impactful and that will leverage additional investment. Applicants must be able to demonstrate that they met all State and established organizational standards associated with the new construction and/ or preservation of existing affordable rental projects as further described in this NOFA.

In order to be considered for funds, applicants must demonstrate that they have the capacity to complete and occupy projects within two (2) years of executing a Funding Agreement including securing site control and committed sources of funding and that their project meets or will meet all applicable City, State, and Federal rules and regulations.

The Trust Fund was established to support the housing needs of the City’s low and very-low income households. Spending requirements, established under Article I, Section 14 of the City’s Charter compels that all Trust Funds be spent on housing and housing related activities for households earning 50 percent or less of Area Median Income (“AMI”) as defined by the Department of Housing and Urban Development (“HUD”), and that at least half of the available Trust Funds are spent on households earning 30 percent or less of the AMI. Additional information about the Trust Fund can be found at: <https://dhcd.baltimorecity.gov/nd/affordable-housing-trust-fund>. This NOFA seeks to make funds available that support DHCD’s community development goals and strategies outlined in its Framework for Community Development, which can be found at: <https://dhcd.baltimorecity.gov/m/community-development-framework>, and to integrate affordable units as part of broader mixed-income housing strategies. The 2024 Area Median Income can be found at: <https://www.hudexchange.info/programs/home/home-income-limits/>

To be considered for an award of funds, applicants will be required to meet the Threshold Requirements as further specified in this NOFA and to receive a minimum score of 105 out of a possible 120 points. Scoring will be based on project feasibility, community engagement, and achieving equity with additional opportunities to qualify for up to 70 bonus points. Applications will be reviewed by an interagency panel comprised of City representatives. Recommendations for awards will be provided to the Housing Commissioner who, at their discretion, makes the final decision.

Further information and guidance regarding eligible applicants, application requirements and scoring are included in these guidelines. Prospective applicants are encouraged to read this document thoroughly, attend the information session and to submit questions.
