

TEMPORARY SPECIAL EVENT PERMIT APPLICATION GUIDELINES AND INFORMATION

When is a permit needed from DHCD?

A permit is needed from DHCD when you are having the following types of events on private property:

Bazaars	Carnivals	Circuses
Dances	Displays	Exhibitions
Fairs	Lectures	Movies/Videos
Plays	Rummage Sales	Sporting Events
Suppers	Other Assemblies	

All applicants for temporary event permits on City owned property will now apply at the City's Special Events Office located at 401 E. Fayette Street, 1st Floor. Please check with Department of Transportation (DOT 410-396-4508) for application submission deadlines.

What are temporary structure requirements for permits?

Temporary structures are structures erected for less than 180 days. A permit application and construction documents shall be submitted for each installation of a temporary structure.

Temporary tents and other membrane structures that are 120 square feet or greater including connecting areas or spaces with a common means of egress or entrance which are used or intended to be used for the gathering together of 10 or more persons shall not be erected, operated or maintained for any purpose without obtaining a permit from the building official. The construction documents shall include a floor plan drawn to scale indicating the location of the tents and documentation on how the tents will be secured to the floor/ground.

****Note:** All tents over 400 square feet require a permit from DHCD and the Fire Department. These applications will be referred to the Fire Department for approval prior to issuance.

Temporary structures (e.g., stages, booths, bridges, etc.) that are 120 square feet or greater including connecting areas or spaces with a common means of egress or entrance which are used or intended to be used for the gathering together of 10 or more persons shall not be erected, operated or maintained for any purpose without obtaining a permit from the building official. The construction documents shall include a floor plan drawn to scale indicating the location of the temporary structures. Signed and sealed construction drawings may be required for any structure over 400 square feet.

Department Referrals
